

SHOWER CHLORINE-FREE
Using a patented Chlorgon® media

SOFTER HAIR & SMOOTHER SKIN
Fight brittle hair, dry skin & dandruff

UNIVERSAL COMPATABILITY
Attaches to your existing shower arm

Sprite Industries are the innovators of shower filters and are known to be the world's finest, enabling everybody to enjoy chlorine free showers the world over.

Chlorine is universally used to chemically disinfect water and is added to your water to destroy germs, bacteria and living organisms. You are also a living organism and your body is negatively affected by chlorine internally as well as externally.

NEW Bath Ball Filter

The latest of Sprite Shower's innovations! The Bath Ball Filter offers conditioned water for more luxurious bathing.

Made in USA

- Made of ABS Food Grade Plastic
- Available in Chrome or White Plastic finishes
